

The fresher company.

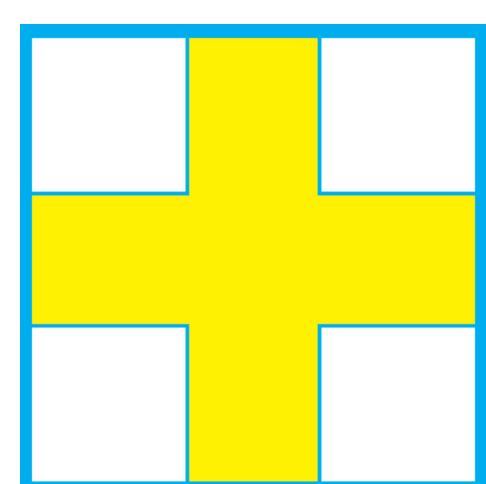

Deo-Plus®

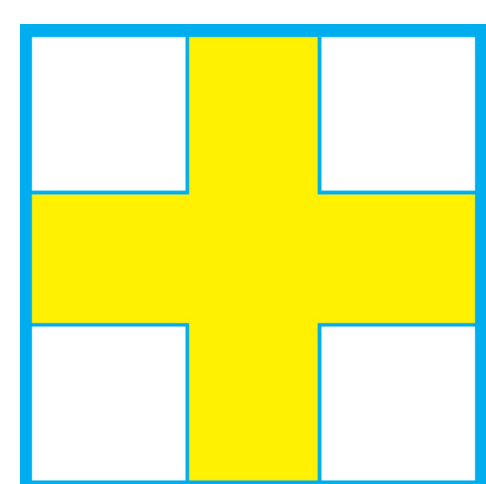

ONLY IN SELECTED SPECIALIST COMPANIES!

Hygienic cleanliness and fragrant freshness for your textiles washed by us!

HYGIENIC: The products we use in the **Deo-Plus®** concept have an antibactericidal, virucidal effect and are gentle on your textiles.

FRESHNESS: **Deo-Plus®** concept-products banish odors from your textiles and thereby give them a pleasant fresh scent.

In this specialist company your textiles are processed according to RKI (Robert Koch Institute) bactericidal and virucidal washing.

**RKI procedures reliably deactivate the corona virus.
We protect your laundry from viruses and bacteria!**
